COLOR EVALUATION COMMENTS

25X1A

This memorandum on procedures used for evaluating color imagery was prepared by [] the IAS member on EXSUBCOM Color Working Group. It will be distributed to the Production Board members.

COMMUNICATIONS

25X1A

[] noted that he would pass on to the members any information of interest to them brought up at the Director's morning meeting.

POLY-CLEAN FLUID

The members were cautioned not to use this fluid when cleaning light tables. The fluid leaves a residue on the glass which cannot be removed.

PHOTO COVERAGE FILE BRIEFING

25X1A

25X1A

[] MSD, briefed the members on a proposal he and [] developed for locating photo coverage over a designated target. This proposed computer procedure, to be used to find the [] coverage of a target area, is to be submitted to AID/NPIC for a feasibility study.

25X1D
25X1A

25X1A

[] noted that if successful, this proposal will end a problem of considerable concern to IAS and will eliminate the need to rely on the DIA Area Coverage File which has been unresponsive and very error prone.

GROUND PHOTO FILE BRIEFING

25X1A

[] R&RD/NPIC, briefed the members on the CIA ground photo file that was transferred in December from the Central Reference Service in Headquarters to NPIC [] They explained their photo holdings, the sources of these holdings, and the kind of support they can give IAS. [] cautioned that not all visitors to R&RD file room have codeword clearances. The IAS Branch Chiefs were then conducted on a tour of the facility.

25X1A

25X1A

KH BRIEFING TEAM

25X1A

The members approved the following changes: [] member of the team, to replace [] as team chief and [] assigned as a new member.
